

## “雅思”應試準備班 Preparing for IELTS

This course is designed for those seeking an international education, or anyone wanting an official and accurate assessment of his or her English language ability.

### Objectives

- To help you understand the requirement of the IELTS examination.
- To increase your confidence in test taking.
- To raise your academic English to gain the maximum possible score in the IELTS test.
- To help you respond appropriately to different question types in all four parts of the examination.
- To develop your skills and techniques in areas such as: analytic thinking, creative thinking and editing.
- To develop your ability to organize your writing.
