Description

This learning module mainly teaches from elementary to intermediate level of English conversation, reading, grammar and vocabulary.

Learning Outcomes

After completing this learning module students will be able to:

1. Understand spoken English (in a variety of standard accents using the vocabulary and grammar covered in the syllabus) sufficiently to answer questions accurately on what they have heard.
2. Speak fluently with appropriate pronunciation, intonation and stress to convey meaning.
3. Manipulate verbal expression in English in group discussion, to tell short stories, or to read short newspaper articles
