Description

This is a continuation of Japanese I which develops students' language skills. Particular emphasis is placed on listening, and on written and oral expression. Students learn to understand foreign language texts, use the language correctly and confidently, and understand the foreign culture through foreign language learning. Topics include: listening, speaking, reading, and writing.

Learning Outcomes

After completing the course, students will be able to perform the following basic Japanese language skills through the forms of daily conversations:

1. Explain the usage of verbs through cases of daily life.
2. Explain the usage of adverbs through cases of daily life.
3. Explain the usage of auxiliary words through cases of daily life.
4. Explain the usage of conjunctions through cases of daily life.
5. Apply daily expressions in conversation.
