# The Sixth National Conference on Cognitive Translation Studies and the 2023 Annual Conference of CACSEC Society of Cognitive Translation Studies

## (First Call for Papers)

To promote the development of cognitive translation studies in China and facilitate academic discussion and exchange between scholars, five annual conferences on Cognitive Translation Studies have been held, at Guizhou Normal University (2017), Guangdong University of Foreign Studies (2018), Renmin University of China (2019), Tongji University (2021) and Jilin University (2022) respectively. **"The 6th National Conference on Cognitive Translation Studies and 2023 Annual Symposium of China Association for Comparative Studies of English and Chinese-Society of Cognitive Translation Studies" will be held at Macao Polytechnic University on 3-5 November 2023**. The conference will feature keynote speeches and parallel sessions for the presentation and discussion of up-to-date cognitive translation studies.
